Vocational: Physics, Foundation Science and Medical Laboratory Assistant Course (including practical's) and normalizing them by the prescribed procedure. Equal weightage will be given to all the above three prescribed subjects. In case a candidate has appeared in more than one of the prescribed optional subjects, the subject in which the candidate has obtained in highest mark will be taken into consideration for normalization and for calculating the actual total marks. Wherever separate marks for practicals are awarded, the same will be considered along with the respective subjects, for arriving at the total actual marks.

Admission is based on the marks secured by the candidates in the prescribed subjects in the qualifying examination i.e. for H.Sc. Academic: Physics, Chemistry and one of the following optional subjects (Mathematics / Bio-Technology / Computer Science / Biology / Botany & Zoology) in which the candidate has scored the highest marks (including practical's) and "normalizing" them by the prescribed procedure.

5.2 Normalization Procedure

- In order to evolve a common base for comparing the marks obtained by the candidates from various Boards of Examinations (Refer Annexure-II), "normalization procedure" as outlined below will be followed.
- The marks obtained by the students in the relevant subjects in the qualifying examination conducted by the various Boards or Authority, shall be equated with the marks obtained by the students in the same subjects in the qualifying examination, conducted by the State Board (i.e. State Board of School Examinations, Tamil Nadu), by adopting the method of normalization.
- **EXPLANATION:** Under the method of normalization, the highest mark obtained by the students of various Boards in each subject, shall be equated to the highest mark obtained by the students of the State Board in that subject, and the relative marks of other students in that subject, shall be determined accordingly.
- **ILLUSTRATION:** If the highest marks secured by a student of the State Board, in Physics is 100 and the highest mark secured by a student of any other Board (say "X"), in the same subject is 90, then, both the highest marks will be considered to be equal to 100. If any other student of the other Board (i.e. "X"), is 90, then, 60 marks secured by such a student will be considered to be equal to 66.667 marks as arrived at and given below: $(100 \times 60) / 90 = 66.667$
- After normalization of marks of the eligible students of different Boards, in the relevant subjects, the "normalized marks" obtained shall be merged into a common merit list.
- In cases, where more than one student have got the same marks in the "COMMON merit List", the inter-se merit among such students shall be determined in the manner prescribed as para 5.3 below.
- For the purpose of normalization of marks of candidates from "Other State", except for the B.Tech course, for all other such courses, wherever such quota is available, maximum marks obtained in the respective subjects, from among the various Boards under which the above candidate have actually studied and applied for a particular course, will only be considered.
- **ILLUSTRATION:** For B.Pharm course, if candidates from Andhra Pradesh, Madhya Pradesh and Maharashtra along have applied against "All India quota", then, the above Boards and their maximum marks only will be considered, for the purpose of "normalization" of marks.
- The Director, School Education, Government of Puducherry, will be the "Designated authority" to furnish the "maximum marks" in each of the prescribed subjects for the various courses, of the various Boards of Examinations, and furnish it to CENTAC. For the "Normalization Procedure" only the above officially furnished data will be used and will form the basis for preparing the "COMMON MERIT LIST" for the various courses, coming under the purview of CENTAC.

- Candidates who have qualified in examination conducted by Boards other than the Boards notified in Annexure-II of the Information Bulletin (including Lycee Francasis) should produce the equivalent certificate obtained from the Association of Indian Universities, New Delhi

5.3 Procedure for Breaking the "Tie" in the Merit Marks

Table
